Just in time for Father's Day:

The new Gentleman's Givenchy

Givenchy Pour Homme.

An innovative scent that is light years away from the traditional woody freshness of older, masculine fragrances. Givenchy Pour Homme is a fascinating study of contrasts. It is light, cool, sparkling, and fresh as well as sensual, long-lasting, warm, and addictive.

Beginning with its top notes of grapefruit, tangerine and coriander then capturing the heart of the fragrance with davana fruit and vetiver, and finally ending in a base of woody notes of olibanum and cedar, Givenchy Pour Homme is an inclusion of fruit and vertiver.

The bottle is designed to be a high-tech and an aerodynamic concept. Elliptically shaped, the bottle is covered in a burgundy case with a spray-through cap.

Remaining in true Givenchy style, Givenchy Pour Homme introduces a new sexier gentleman with a sense of humor.

Blend: Citrus-Woody
Notes: Citrus Fruit, Exotic Spices, Woods
Style: Modern, Masculine
